

SUBMISSION REQUIREMENTS CHECKLIST ORIGINAL SONG/ORIGINAL SCORE 96TH OSCARS

Films entering the Original Song/Original Score categories must qualify between **January 1, 2023** and **December 31, 2023**. All required entry materials must be received by the Academy no later than **5pm PT** on **November 1, 2023**.

To submit, go to submissions.oscars.org to register and request access to the Music categories. Once approved, you'll receive an automated email with instructions. If you are an Academy member or have submitted in the past, you do not need to register an account to login. The submission must be initiated either personally by the songwriter or composer, or by their authorized representative, or by an authorized representative of the distributing studio of that film. Please note, no more than three songs from any one film may be submitted for Original Song, regardless of writer(s).

ALL MATERIALS MUST BE UPLOADED TO THE SUBMISSIONS SITE

*A General Entry (Feature Film OSF) form must also be submitted to be considered for the Music categories, including for Documentary Features.

IMPORTANT: Submitting your film for only Best Documentary will not automatically qualify it for the Music categories – it is a separate, additional submission in General Entry as well.
