Print Information (cont.)

If requesting a video copy, please indicate the format and recording standard:

(Please note that charges may apply for NTSC-PAL conversions if material in the desired format is not already available.)

Will admission be charged at these screenings? Yes No If yes, how much?

As an archive, our primary mission is preservation. We do not lend archive prints for exhibition if they are readily available from commercial sources or studio collections. For each title being requested, please indicate ALL distributors, studios, other film archives, and/or private collectors you have already contacted about securing a loaned print, and the reason(s) a print was not available from that source.
